PWA Installation Guide

December 6th, 2021

Overview

The PWA is a newer version of our current mobile application. It is no longer a native app, so it is not found on the app store. It is a website application that users can save to their mobile device.

The application is available at pwa.theuniformsolution.com

iOS Devices

- 1. Open Safari (it must be installed using Safari)
- 2. Go to pwa.theuniformsolution.com
- 3. Find and locate the **share** button.

4. Select Add to Home Screen
